

This crafty activity encourages children to enjoy, explore and recreate the wonders of nature on a small scale by making their own window box out of materials around them.

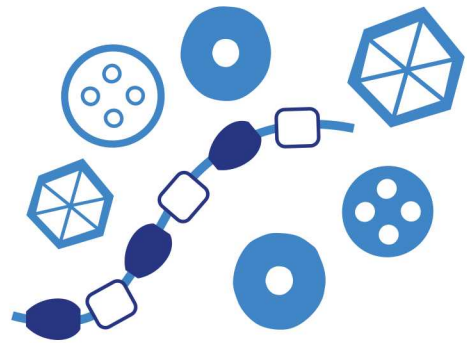

### What you will need

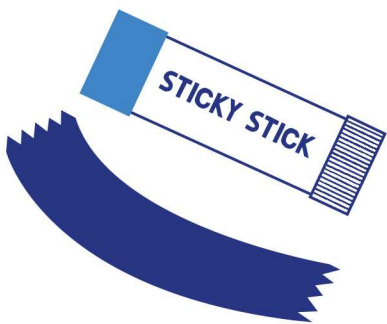

Scissors

Leaves

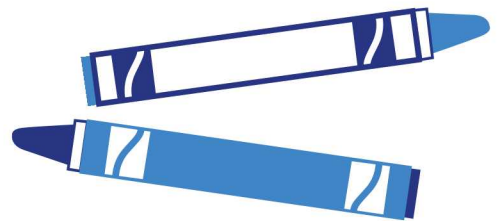

Found items

Glue / Tape

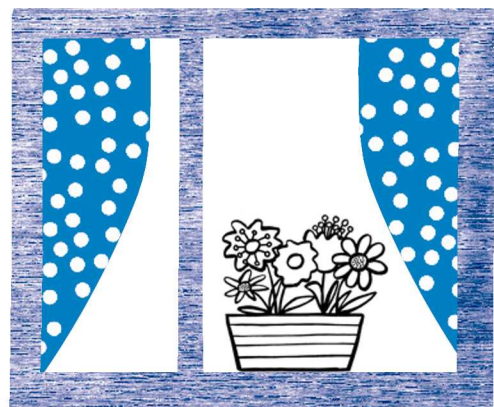

Twigs

Colouring pens, pencils or crayons

### What to do

1. Print out the template or create your own
2. Decorate with lots of colours
3. Ask an adult to help you cut around the shapes
4. Stick on any leaves, sticks, wrappers, buttons, or bits you have found

Once its dry, stick to the bottom of a window to create your own window box!
