

V & A Museum of Childhood

Code of Behaviour

Please print and distribute the Museum's Code of Behaviour in advance of your visit.

- **Please ensure you have an appropriate ratio of adults: pupils to supervise your group. We recommend 1:6 for primary children and 1:10 for secondary children.**
- **Teachers and adult helpers are responsible for supervising the behaviour of their group at all times.**
- **Please arrange adequate First Aid cover for your group's needs. Teachers should carry First Aid at all times. First Aid assistance is available on-site in an emergency. Please report any accidents to a member of staff at the Information Desk.**
- **Pupils should be encouraged to use our hands-on exhibits gently. Teachers and parent helpers must intervene if they see a pupil using an object in a dangerous or destructive manner.**
- **Pupils are expected to put hands-on exhibits back in their proper place after use for other visitors to enjoy.**
- **Please do not allow pupils to climb on Museum displays or furniture.**
- **Please report any damage to a member of staff at the Information Desk.**
- **For their own safety, pupils should be prevented from running in the Galleries.**
