

Museum of Childhood

The V&A Museum of Childhood is the UK's National Museum of Childhood. It is the largest institution of its kind in the world. Its mission is to hold in trust the nation's childhood collections and to be an international leader in engaging audiences in the material culture and experiences of childhood.

Animal shapes

Inspired by the collection

This activity was inspired by the Bauhaus Bauspiel construction set and soft toys made by Steiff in the 1950s.

You will need:

- Paper
- Colouring pens and pencils
- Scissors

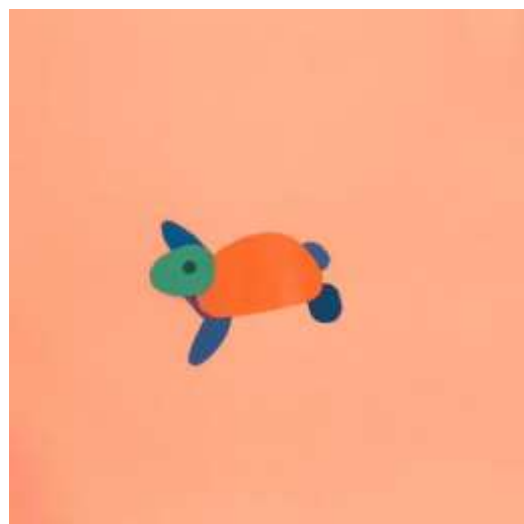

1. Shapes make up everything! Use our shapes on the next page or draw some out on paper. Colour them in and cut them out.

2. Can you create a new character with these shapes?

3. Could you use the same shapes to make a penguin like Peggy?

4. Can you move the shapes to make a turtle like Slo? What other animals could you make?
